Re: *United States v. Darin Fields*, Docket No. 14-CR-476 (CS) (SDNY)

Dear Judge Seibel:

I represent Darin Fields in the above-referenced case as his appointed counsel under the Criminal Justice Act.

I am writing to respectfully request a further adjournment of Mr. Fields's resentencing hearing scheduled for March 10, 2021 to a date after April 4, 2021 that is convenient to the Court. The government does not oppose this request.

On February 12, 2021, the Court granted Mr. Field's previous request for an adjournment of his sentencing hearing from February 17, 2021 to March 10, 2021 to enable counsel and Mr. Fields to have an adequate opportunity to collaborate with respect to his sentencing submission and to obtain some additional materials relevant to sentencing to present to the Court.

We have since learned that Mr. Fields' mother is scheduled to have surgery on March 8, 2021, and according to Mr. Fields' mother, she will not likely recover from surgery in time to attend the sentencing hearing. At the request of Mr. Fields and his mother, we are asking for the sentencing hearing to be adjourned to a date convenient to the Court after April 4 to permit Mr. Fields' mother to obtain the sentencing hearing.

I thank the Court for its consideration in this matter.

Respectfully submitted,
